## SEEDING

If there are 16 or less entries, then there will not be a stroke play event to determine the field.

If there are more than 16 entries but less than 24 entries, then there will be 18 hole stroke play event. The low 16 scores will qualify for the Match Play event with seeding determined by the morning stroke play scores. In order to determine seeding from those 16 who qualify, tie scores will be broken by 2013 POY points. If there are ties to make the top 16, then there will be sudden death playoff to begin immediately following stroke play. There will be a consolation round for those contestants who do not qualify for Match Play bracket. This would be played Monday afternoon.

If there are 24-32 entries, then there will be no stroke play event. We will go straight to the Match Play event which will start at 8:00 am Monday morning. We will use "byes" if necessary to accommodate the bracketing of the tournament.
